Dee Lincoln, co-founder and vice president of [Del Frisco's Double Eagle Steak House](#) has teamed up with the Dallas Cowboys to create a high-end wine bar at the new Cowboys Stadium in Arlington.

Located on the Silver Suite Level, the 1,000-square-foot venue is available to suite ticket holders and club members. Dee Lincoln's Tasting Room and Bubble Bar's tagline is "Experience Wine by the Ounce."

The tasting room features 48 wines, which can be purchased in 2, 4 or 6 ounce tastings, using a self-serve process. Patrons purchase a card similar to a debit card with a pre-loaded dollar amount of their choice. Guests then choose from the different wine categories: Dee Vine Wines, White "Stars," Mixed Company, Legendary Reds and Dee's Personal Friends. Prices range from \$4 for a 2 ounce pour up to \$75 for a 6 ounce. The more expensive wines such as Caymus Vineyards Special Select 2006 Cabernet Sauvignon, Napa; can be found in Dee's Personal Friends category. Not a wine drinker? Then Over the Top Martini's like Silver & Blue or Ricky's Waterboy can be purchased for \$15.00. Bubbles by the Glass is also an option.

The wine bar is contemporary in its décor with mirror elements and a lot of white and brown. The tasting room is not affiliated with Del Frisco's. Lincoln has partnered with her brother, Ricky Comardelle, for whom the cocktail Ricky's Waterboy was named after. The space fits about 75-100 people and is the perfect gathering place in between quarters, during halftime or after the big win.
