

## TOP SASS

**Dee Lincoln's Tasting Room & Bubble Bar** is one sexy resto-lounge, and now there's one closer than Cowboys Stadium, at Rosewood Court. Sip sparklers on Italian leather sofas with perfect pours from the first U.S. flute dispenser. Try a skinny cocktail, or dig into wonderful noshes like sushi pizza and pork-belly sliders. The Bubble Bar is a swirl of sparkly mirrors and chic lounge nooks from the queen of high-roller glitz 'n' glam. Yet the fashionista-friendly venue welcomes everyone—an amazing feat for an amazing hostess.
